

EDKHRY S LUIS C. TEVES

WEB DEVELOPER

Imus, Cavite Philippines | luisc.teves@gmail.com | +63 927-334-0958

Driven and detail-oriented aspiring IT professional with a proven ability to adapt quickly to new technologies and environments. Committed to leveraging a strong work ethic and a resourceful mindset to support organizational growth. While early in my career, I possess a proactive approach to problem-solving and a hunger for learning that allows me to deliver results effectively. Seeking to bring my enthusiasm and technical aptitude to an organization to drive efficiency and innovation
